

RESPONSIBLE CONDUCT OF RESEARCH (RCR) TRAINING FORM
(Requirement for NSF, NIH, and USDA-NIFA)

Name:		UIN:	
-------	--	------	--

Status:

<input type="checkbox"/>	Undergraduate	<input type="checkbox"/>	Graduate	<input type="checkbox"/>	Post Doc / Other
--------------------------	---------------	--------------------------	----------	--------------------------	------------------

NSF, NIH, and USDA – NIFA: individuals are expected to receive formal instruction in ethical considerations and decision making in Responsible Conduct of Research that is appropriate for their disciplines and respective research careers.

- **National Science Foundation (NSF):** postdocs, graduate students, and undergraduate students engage in research.
- **National Institutes of Health (NIH):** trainees, fellows, participants, and scholars receiving support through any NIH training, career development award (individual or institutional), research education grant, and dissertation research grant.
- **USDA National Institute of Food and Agriculture (USDA - NIFA):** all program directors, faculty, undergraduate students, graduate students, postdoctoral researchers, and any staff participating in a research project.

Funding is from:

<input type="checkbox"/>	NSF	<input type="checkbox"/>	NIH	<input type="checkbox"/>	USDA-NIFA
--------------------------	-----	--------------------------	-----	--------------------------	-----------

This individual has received CITI training in the following RCR topic(s):

Notes: CITI online training itself does not fulfill NIH's requirement as there need to be substantial face-to-face discussion (at least eight contact hours). If funding support is from NIH, please indicate which other method was received in addition to CITI.

<input type="checkbox"/>	Biomedical Responsible Conduct of Research Course
<input type="checkbox"/>	Social and Behavioral Responsible Conduct of Research Course
<input type="checkbox"/>	Physical Science Responsible Conduct of Research Course
<input type="checkbox"/>	Humanities Responsible Conduct of Research Course
<input type="checkbox"/>	Responsible Conduct of Research for Engineers
<input type="checkbox"/>	Responsible Conduct of Research for Administrators

RCR training was received from another method(s):

<input type="checkbox"/>	Instructor Training / University Coursework (explain, including date taken and hours involved):
<input type="checkbox"/>	Workshop (explain, including date taken and hours involved):
<input type="checkbox"/>	Conference (explain, including date taken and hours involved):

RESPONSIBLE CONDUCT OF RESEARCH (RCR) TRAINING FORM
(Requirement for NSF, NIH, and USDA-NIFA)

If RCR training was received from another method, include appropriate documentation:

	Course Syllabus		Unofficial Transcripts	Other:
--	-----------------	--	------------------------	--------

Certifications:

Student/Trainee/Participant

I certify that I completed the Responsible Conduct of Research (RCR) as required by the sponsor.

_____ Student/Trainee/Participant's Signature

_____ Date

_____ Student/Trainee/Participant's Signature Name (Please Print)

Principal Investigator

As Principal Investigator, I certify that I have read and understand the Responsible Conduct of Research (RCR) requirements of the sponsor. I ensure that the person listed above has received Responsible Conduct of Research (RCR) training as outlined by the sponsor.

_____ Principal Investigator's Signature

_____ Date

_____ Principal Investigator's Name (Please Print)

Completed form with proof of RCR training must be attached to hire paperwork/payment form(s).

<i>ORSP Internal Use:</i>	
<i>GSC/HRS: Submit the completed RCR to Compliance Unit.</i>
